PETITION ... Tell Tesco to stop holding up 'Jennifer Project'!

Tesco want to stop an excellent scheme on Great Homer Street, which has already been agreed with local people, the stallholders, the developers of St Modwen and the City Council, so that they can replace it with their own much smaller and, in many people's opinion, a worse option! Holding this project up is holding up the possibility of a new supermarket, new shops, new health centre, 480 new homes, improved market indoor and out, better transport links and job for the community! Please sign the petition at the back of church. Thank you. For further information contact WECC on 0151 282 0303.

The Chapel is reserved for quiet prayer. Thank you for respecting this.
