

FIFTH SUNDAY OF ORDINARY TIME (YEAR C)

7th February 2010

£255.75 was received in last week's collection. It is hoped that our weekly collection will reach £300 per week, as that is the approximately figure of running the church building, so your continued generosity is very much appreciated.

Monday Crew – many hands make light work ... meet each Monday, 9.30am to 12noon to help with the cleaning and day to day running of the church. All welcome.

Tuesday Club – For the over 50's to enjoy a game of bingo, raffle, cuppa and good company each Tuesday afternoon.

HAITI APPEAL

One of collection boxes at the back of church is specifically for the Haiti Disaster Fund or you can give on line by contacting www.just-giving.com/haiti-fun as we know this money is getting to the most needy parts of Haiti immediately and directly.

Jesuit news from Haiti ... Twelve intervention centres have been set up by the Jesuits in Port-au-Prince and Leogane, each supplying food and medical services. In all, these centres take care of more than 15,000 people every day. At the moment, all aid channelled through Jesuit Refugee Services, Jesuit Provinces and other Jesuit organisations flows from these centres. Medical teams have arrived from the United States. Medical staff, drivers and others are housed in the Jesuit novitiate.

BELL RINGING

As you know, we have a committed group of bell ringers that meeting weekly. The month of February is the group's 50th anniversary ... so listen out for their celebration ringing over the next few weeks!
